Prices and specifications are subject to change without notice. A minimum order is \$25.00.

**TRANSPORTATION** - Rental prices do not include transportation. Delivery or retrieval will constitute a separate charge if made by Harris-Chewning, Inc. (hereinafter referred to as "H-C"). H-C cannot be responsible for the performance of common carriers and accordingly, cannot guarantee on-time delivery or return of equipment. Therefore, equipment remains on rental unit until physically returned to and received at H-C premises. Any return "collect" charges will be invoiced to customers with a 25% markup added.

**TERMS AND CONDITIONS** - Payment terms are net 30 days except where otherwise required or agreed by H-C. Maximum legal interest will be added monthly to unpaid balances. H-C is in no way responsible for any liability, claims, costs or expenses arising out of use or possession of any equipment it provides. H-C's equipment is offered for inspection and test at time of rental. Accordingly, customers will be charged whether or not customers' crew can operate the equipment. Any problems with equipment while out on rental should be reported immediately to a representative of H-C. All rentals and sales are also subject to the terms and conditions of business as they appear on the present H-C rental contract.

**LOST OR DAMAGED ITEMS AND CLEANUP CHARGES** - Reasonable and appropriate cleanup and/or repair charges will be incurred by customers who return equipment in non-rentable condition. Lost or damaged equipment is reported to customers as soon as possible and appropriate charges will follow. Any equipment continues to incur rental charges until replacement parts are obtained and repairs completed.

**CANCELLATION** - The customer shall compensate H-C for any loss it may sustain as a result of the customer cancelling all or part of an order. In the event that a deposit is required to hold the equipment for a period of time, the deposit can be kept by H-C in the event of cancellation.

**EQUIPMENT IDENTIFICATION** - Care has been taken to identify all H-C equipment as such. The customer agrees not to remove or cover identifying marks showing ownership by H-C. It shall be permissible for a representative of H-C to enter any premises upon which rented equipment may be kept or reasonably believed to be kept, for the purposes of its recovery, at the termination of any rental and the customer shall compensate H-C for any costs in repossessing the rented equipment.

**OUT OF COUNTRY RENTALS** - Equipment must not be taken out of the Continental USA. without prior permission in writing from a representative of H-C. All rented equipment that is due to leave the USA must be registered with the US Customs prior to departure. H-C will furnish the customer with a statement giving serial numbers, country of origin and value at the customer's request. Any delay, due to the customer's failure to register rental equipment, shall be charged as a normal rental period until equipment is returned to H-C.

**INSURANCE AND RESPONSIBILITY** - Customers must provide by copy documentation, in advance of rental, evidence of having insurance which would be adequate to cover replacement and/or repair of any and all items rented whether damage and/or loss would occur during shipment by common carriers or while in the customer's possession or at any time during the period equipment is out of H-C premises. Liability coverage is also required. Specific requirements detailed per rental.

**TAXES** - Applicable state and local taxes are additional to prices for rental, purchase and other taxable items.

**CONSULTANCY** - H-C, in association with other specialist film and video tape service organizations, can provide to and/or locate for customers a wide range of production advisory, liaison and organizational services. Details are available on request.
